Lane Reductions on Eastern Between 215, Serene Starting Monday

Drivers will encounter lane shifts and lane reductions on Eastern Avenue between the 215 Beltway and Serene Avenue from Monday, May 29, to June 30 due to a repaving project there.

Eastern usually has three travel lanes in each direction in this area. During the next four weeks, traffic will be reduced to two lanes in each direction during the day and on weekends. Traffic will be reduced to one lane in each direction from 9 p.m. to 6 a.m. on Sunday through Thursday nights.

Access to businesses along this part of Eastern will remain open during construction.

Drivers should expect traffic congestion in this area during construction, and are encouraged to use alternate routes if possible.

Updates about this project are available online at www.eastern215.com and through email updates. To receive email updates call the County Public Works Department at (702) 455-6000 or email your request to info@eastern215.com.
